

General Data

Article No.	52220102
Code	RS 11
Product EAN	4008597201028
Box quantity (pcs.)	400
EAN Box	4008597501029
Gross weight of box in kg	2.996
Length of box in m	0.228
Width of box in m	0.228
Height of box in m	0.183
Product weight	6 g
Product status	 Inactive

Electric Parameters

Suitable for lamp power	4.0-65.0 W
-------------------------	------------

Specification

Diameter max.	21.5 mm
Length	40.3 mm

Notes on Operation

Notes on operation	for one-lamp-circuit
Lamp	4 - 65 W
Suitable for lamp power	4.0-65.0 W

Miscellaneous

Similar products

52210849

Notes

Starter for fluorescent lamps in conventional one lamp circuit. Change with every lamp change.

Please, refer to www.radium.de/recycling for notes on disposal of burned-out lamps as well as lamp breakage.

The "lifespan L70" described for LED lamps indicates the number of hours when the luminous flux has decreased to 70% of its initial value.

The optimal field 'info about service life' contains the frame conditions according to standards based on which the specific service life has been determined. So, for example, "12B50, 50Hz" means that the mean service life (B50) has been determined with a 12h switching cycle at mains (frequency 50Hz), "3B50, HF" is based on a 3h switching cycle at electronic control gear (high frequency).

Special features

General notes

The technical design data in accordance with DIN and IEC. The producer does not take any responsibility for damage to persons or property in case of unsuitable operation or handling of the product. Operating data and dimensions are valid within the usual tolerances. Related lamp types (different bases, mains voltages) may be available on request. Sale and delivery are effected in accordance with the Radium Terms of Delivery and Payment valid on the day of conclusion of contract. Packing units offer economical advantages to the purchase and logistic department. Please match your quantity volume accordingly. For orders of a minimum quantity (clefts) with a lamp model the amount lower than the volume of each packaging unit, we will invoice 10 % additional charge per lamp type. Technical changes and terms of delivery are reserved. Manipulation of any kind to packaging or product is not permissible as this will violate Radium brand rights. Furthermore, technical properties of the product can change to its disadvantage or even destruction. Therefore, Radium cannot be responsible for consequential damages.
