

General Data

Article No.	PNZA1915
Code	PANEL 600 MOUNTING FRAME
Product EAN	4003556006218
Box quantity (pcs.)	4
EAN Box	4003556406216
Gross weight of box in kg	4.136
Length of box in m	0.69
Width of box in m	0.18
Height of box in m	0.12
Product weight	880 g
Product status	● Inactive

Specification

Type of accessory/spare part	Installation frame
------------------------------	--------------------

Notes

Mounting frame for wall or ceiling installation, plug assembly and screw to surface.

Please, refer to www.radium.de/recycling for notes on disposal of burned-out lamps as well as lamp breakage.

The "lifespan L70" described for LED lamps indicates the number of hours when the luminous flux has decreased to 70% of its initial value.

The optimal field 'info about service life' contains the frame conditions according to standards based on which the specific service life has been determined. So, for example, "12B50, 50Hz" means that the mean service life (B50) has been determined with a 12h switching cycle at mains (frequency 50Hz), "3B50, HF" is based on a 3h switching cycle at electronic control gear (high frequency).

General notes

The technical design data in accordance with DIN and IEC. The producer does not take any responsibility for damage to persons or property in case of unsuitable operation or handling of the product. Operating data and dimensions are valid within the usual tolerances. Related lamp types (different bases, mains voltages) may be available on request. Sale and delivery are effected in accordance with the Radium Terms of Delivery and Payment valid on the day of conclusion of contract. Packing units offer economical advantages to the purchase and logistic department. Please match your quantity volume accordingly. For orders of a minimum quantity (clefts) with a lamp model the amount lower than the volume of each packaging unit,
