Building-in aluminium profile for 2 LED-strips, Wing profile MEDIUM

length 3m

Product Datasheet Date: 01.11.2026

General Data

Article No.	TRPA4170
Code	PROFILE M WING F 52/9.5/B5C5-P 3M
Product EAN	4003556011212
Product weight	1324 g
Product status	Inactive

Specification

Type of accessory/spare part	Profile
Length max.	3010 mm
Length	3 m
Height	9.5 mm
Width	52 mm
Built-in width	27 mm
Internal width	22.2 mm
no. of LED stripes in profile	2
Product shape	Wing profile
Material	Aluminium

Notes on Operation

Mounting type	Recessed mounting
Fitting Endcap	ZTPA2616, ZTPA2619, ZTPA4962
Fitting mounting clips or suspension	ZTPA4174

Building-in aluminium profile for 2 LED-strips, Wing profile MEDIUM

length 3m

Miscellaneous

Similar products	TRPA4171

Notes

High-quality, anodized aluminum installation profile for optimal cooling. Versatile mounting options and space for up to two LED strips.

Please, refer to www.radium.de/recycling for notes on disposal of burned-out lamps as well as lamp breakage.
The "lifespan L70" described for LED lamps indicates the number of hours when the luminous flux has decreased to 70% of its initial value.
The optinal field 'info about service life' contains the frame conditions according to standards based on which the specific service life has been determined. So, for example, "12B50, 50Hz" means that the mean service life (B50) has been determined with a 12h switching cycle at mains (frequency 50Hz), "3B50, HF" is based on a 3h switching cycle at electronic control gear (high frequency).

General notes
The technical design data in accordance with DIN and IEC. The producer does not take any responsibility for damage to persons or property in case of unsuitable operation or handling of the product. Operating data and dimensions are valid within the usual tolerances. Related lamp types (different bases, mains voltages) may be available on request. Sale and delivery are effected in accordance with the Radium Terms of Delivery and Payment valid on the day of conclusion of contract. Packing units offer economical advantages to the purchase and logistic department. Please match your quantity volume accordingly. For orders of a minimum quantity (clefts) with a lamp model the amount lower than the volume of each packaging unit, we will invoice 10 % additional charge per lamp type. Technical changes and terms of delivery are reserved. Manipulation of any kind to packaging or product is not permissible as this will violate Radium brand rights. Furthermore, technical properties of the product can change to its disadvantage or even destruction. Therefore, Radium cannot be responsible for consequential damages.
