Connecting component Easy Connect
STRIP CABLE BRIDGE 2PIN 10MM/5CM 4PCS

Radium

Product Datasheet Date: 02.11.2026

General Data

Article No.	FXZA4510
Code	STRIP CABLE BRIDGE 2PIN 10MM/5CM 4PCS
Product EAN	4003556014138
Box quantitiy (pcs.)	10
EAN Box	4003556414136
Gross weight of box in kg	0.154
Length of box in m	0.177
Width of box in m	0.1
Height of box in m	0.137
Product weight	10 g
Product status	Active

Electric Parameters

Number of cores	2

Specification

Type of accessory/spare part	Connecting cable
Colour	Other

Notes

LED strip connector with a cable length of 5cm. For solderless connection of 2 LED strips for white light - even around corners.

Please, refer to www.radium.de/recycling for notes on disposal of burned-out lamps as well as lamp breakage.
The "lifespan L70" described for LED lamps indicates the number of hours when the luminous flux has decreased to 70% of its initial value.
The optinal field 'info about service life' contains the frame conditions according to standards based on which the specific service life has been determined. So, for example, "12B50, 50Hz" means that the mean service life (B50) has been determined with a 12h switching cycle at mains (frequency 50Hz), "3B50, HF" is based on a 3h switching cycle at electronic control gear (high frequency).

Radium

General notes

The technical design data in accordance with DIN and IEC. The producer does not take any responsibility for damage to persons or property in case of unsuitable operation or handling of the product. Operating data and dimensions are valid within the usual tolerances. Related lamp types (different bases, mains voltages) may be available on request. Sale and delivery are effected in accordance with the Radium Terms of Delivery and Payment valid on the day of conclusion of contract. Packing units offer economical advantages to the purchase and logistic department. Please match your quantity volume accordingly. For orders of a minimum quantity (clefts) with a lamp model the amount lower than the volume of each packaging unit, we will invoice 10 % additional charge per lamp type. Technical changes and terms of delivery are reserved. Manipulation of any kind to packaging or product is not permissible as this will violate Radium brand rights. Furthermore, technical properties of the product can change to its disadvantage or even destruction. Therefore, Radium cannot be responsible for consequential damages.
