

General Data

Code Radium	FXZA2473
Désignation	STRIP CON SD 2PIN 8MM/50CM IP65
EAN 10 (unité)	4003556008403
Unité de transport (pièces)	100
EAN 40 (carton)	4003556408401
Poids brut du carton en kg	1.52
Longueur box in m	0.24
Largeur du carton en m	0.215
Hauteur du carton en m	0.22
Product weight	7 g
Product status	● Actif

Electric Parameters

Number of cores	2
-----------------	---

Specification

Type of accessory/spare part	End-feed
Height	7 mm
Width	15 mm
Built-in width	15 mm
Cable Length	500 mm
Colour	White

Notes on Operation

protection class (IP)

IP65

Notes

2 pole power feed-in for LED strip, with 50cm cable length. Protected against dust and splash water (IP65).

Please, refer to www.radium.de/recycling for notes on disposal of burned-out lamps as well as lamp breakage.

The "lifespan L70" described for LED lamps indicates the number of hours when the luminous flux has decreased to 70% of its initial value.

The optimal field 'info about service life' contains the frame conditions according to standards based on which the specific service life has been determined. So, for example, "12B50, 50Hz" means that the mean service life (B50) has been determined with a 12h switching cycle at mains (frequency 50Hz), "3B50, HF" is based on a 3h switching cycle at electronic control gear (high frequency).

Notices explicatives générales

The technical design data in accordance with DIN and IEC. The producer does not take any responsibility for damage to persons or property in case of unsuitable operation or handling of the product. Operating data and dimensions are valid within the usual tolerances. Related lamp types (different bases, mains voltages) may be available on request. Sale and delivery are effected in accordance with the Radium Terms of Delivery and Payment valid on the day of conclusion of contract. Packing units offer economical advantages to the purchase and logistic department. Please match your quantity volume accordingly. For orders of a minimum quantity (clefts) with a lamp model the amount lower than the volume of each packaging unit, we will invoice 10 % additional charge per lamp type. Technical changes and terms of delivery are reserved. Manipulation of any kind to packaging or product is not permissible as this will violate Radium brand rights. Furthermore, technical properties of the product can change to its disadvantage or even destruction. Therefore, Radium cannot be responsible for consequential damages.
