

# LED Floodlight Star IP65 SENSOR

3000/830 black

# Radium

Product Datasheet Date: 30.06.2026

3000K

5  
YEARS  
GUARANTEE

## General Data

Article No.	FLLA5093
Codice	FL S 3000/830 BK IP65 SENSOR
Product EAN	4003556015272
Box quantity (pcs.)	6
EAN Box	4003556415270
Gross weight of box in kg	4.049
Length of box in m	0.382
Width of box in m	0.174
Height of box in m	0.228
Product weight	575 g
Product status	● Attivo

## Electric Parameters

Max. system power	22.8 W
Power factor	0.7
Nominal voltage	220-240 V
Voltage type	AC
Nominal current	130 mA

# LED Floodlight Star IP65 SENSOR

3000/830 black

**Radium**

## Electric Parameters

Nominal current (mA)	130 mA
Inrush current	21 A
Mains frequency	50/60 Hz
Dimming with push-button	No

## Light Application Parameters

Luminous flux adjustable	No
Luminous flux	2800 lm
Beam angle adjustable	No
Beam angle	100 °
Unified Glare Ratio (UGR)	31
Efficacy / Luminous efficiency	123 lm/W
Colour of light adjustable	No
CCT Switch	No
Colour of light	White
Code of light color	830
Color temperature	3000 K
Color coordinate X	0.434
Color coordinate Y	0.403
Color rendering index	≥ 80
Color Stability	≤ 6 sdc <sub>m</sub>
Light sharing	Symmetric
With light sensor	Si

## Service Life

Lifetime L70B50	50000 h
Life L80B10	50000 h
No. switching cycles	≥ 100000
Guarantee	5

## Specification

Length	156 mm
Height/depth	203 mm
Width	59 mm
Impact strength	IK05
Photobiological safety according to EN 62471	RG0

# LED Floodlight Star IP65 SENSOR

3000/830 black

**Radium**

## Specification

Material	Aluminium/ Glass
Housing material	Aluminium
Material cover	Plastic, transparent
Housing colour	Anthracite
With light source	Si

## Notes on Operation

Degree of protection (IP)	IP65
Protection class	I
Connection type	Other
Type of connection	Cable
Type of wiring	Ending
Max. number of luminaires per B10 circuit breaker	7
Max. number of luminaires per B16 circuit breaker	11
Filament test according to IEC 60695-2-11	650 °C - 30 s
Mounting type	Surface mounted
Type of control gear	LED operating device voltage-controlled
With light sensor	Si
With movement sensor	Si
Emergency power supply integrated	No

## Information especially for EPREL

Contains a lightsource of energy efficiency class	D
Lighting technology	LED
Mains/Non mains connectable	MLS
Color tunable light source	No
Flicker	1.0
Stroboscopic effect	0.4
EPREL ID number	2655261

## Notes

Floodlight for indoor and outdoor use, robust aluminum housing in a small-sized design, integrated LED driver and sensor, slightly frosted lens.

Please, refer to [www.radium.de/recycling](http://www.radium.de/recycling) for notes on disposal of burned-out lamps as well as lamp breakage.

The "lifespan L70" described for LED lamps indicates the number of hours when the luminous flux has decreased to 70% of its initial value.

The optimal field 'info about service life' contains the frame conditions according to standards based on which the specific service life has been determined. So, for example, "12B50, 50Hz" means that the mean service life (B50) has been determined with a 12h switching cycle at mains (frequency 50Hz), "3B50, HF" is based on a 3h switching cycle at electronic control gear (high frequency).

# LED Floodlight Star IP65 SENSOR

3000/830 black

# Radium

## Special features

## General notes

The technical design data in accordance with DIN and IEC. The producer does not take any responsibility for damage to persons or property in case of unsuitable operation or handling of the product. Operating data and dimensions are valid within the usual tolerances. Related lamp types (different bases, mains voltages) may be available on request. Sale and delivery are effected in accordance with the Radium Terms of Delivery and Payment valid on the day of conclusion of contract. Packing units offer economical advantages to the purchase and logistic department. Please match your quantity volume accordingly. For orders of a minimum quantity (clefts) with a lamp model the amount lower than the volume of each packaging unit, we will invoice 10 % additional charge per lamp type. Technical changes and terms of delivery are reserved. Manipulation of any kind to packaging or product is not permissible as this will violate Radium brand rights. Furthermore, technical properties of the product can change to its disadvantage or even destruction. Therefore, Radium cannot be responsible for consequential damages.
